PEST CONTROL"

We have received the services of Jerry for a year and a half. He has controlled the pests at our home in Riverleigh Drive, Hope Island as well as our Confectionery Packaging Premise in Nerang, known as "Maca's Nuts & Sweets."

Jerry has been called in for a variety of problems:- mice, spiders, ants, termite checks and mosquitoes. Each time he has arrived promptly and as soon as possible. He is very knowledgeable and provides good advice and information relevant to the specific pest problems we have experienced. In all cases, he has controlled our pest problems.

We have great confidence in Green Pest Control Company and would recommend it to anyone who needs good advice and prompt service.

Yours faithfully,

Mr. & Mrs J.W. SWAN
