Mr Jerry Furnell
Green Pest Control
PO Box 202
SOUTHPORT QLD 4215

Dear Jerry

Green Pest Control

I am writing to formally express my thanks and appreciation to you and your company.

It is not very often that one has the opportunity these days to be satisfied with the level of service provided, let alone for a satisfied customer to place that satisfaction in writing.

However, I believe your company has provided exceptional service, and you and your staff should be congratulated. I am sincerely grateful for your knowledge in this field, your prompt and efficient attention to detail and your reliability in all your business transactions.

Whenever I get the opportunity, I will recommend Green Pest Control to others because of our satisfaction with your service.

Sincerely
